| Enrichment within the Curriculum | | | Students will be given the opportunity to participate in a number of sporting trips throughout the year. This will give them the opportunity to watch elite level performers and hopefully give students something to aspire to. | | | |

| Building on prior learning | Students will be given the opportunity to revisit sports and activities that they |
|---------------------------------------|--|
| Danianis on prior learning | developed in Y7. The curriculum is designed to challenge students to progress |
| | further in regards to developing more complex skills and how to apply them in a |
| | match/competitive situation. There will be continued opportunity to improve their |
| | communication skills and develop the impact that personal skills has on their |
| | sporting capacity. |
| Enrichment within the Curriculum | Students will be given the opportunity to participate in a number of sporting trips |
| | throughout the year. This will give them the opportunity to watch elite level |
| | performers and hopefully give students something to aspire to. |
| Extracurricular opportunities | There will be a comprehensive school fixture list for a variety of different sports |
| | throughout the year. This will range from football, rugby and netball to athletics |
| | and taking part in the 'Invictus Games' competitions. There will also be an |
| | opportunity for all students to participate in numerous inter school competitions |
| | as well as taking part in clubs and practices held at lunchtimes and after school |
| Positive impacting on | Physical education at Crestwood School is about so much more than being |
| personal development (SMSC) | physically active. Our students are given the opportunity to develop a variety of |
| | personal skills which will help them throughout their life. Ranging from improving |
| | their levels of resilience to developing their communication skills, from being more |
| | empathetic to refining performance analysis skills. They will also be educated on |
| Dunania of authorization of | how the body works and what they need to do to stay fit and healthy. |
| Preparing for the next stage of | Throughout the KS3 curriculum students will be learning key aspects of the BTEC Sport courses via the use of ambitious vocabulary and challenging lesson |
| education | objectives. Physical education lesson content at Crestwood School is designed so |
| | that students can build year on year. |
| Ways to support your child's learning | Praise for effort rather than being 'clever' shows them that by working |
| ways to support your clind's learning | hard they can always improve. |
| | , , |
| | We are all aware of the many issues we face as a country in regards to |
| | obesity and leading sedentary lifestyles. So our main request is that we ask |
| | you to support us by <u>promoting physical activity</u> with your child. |
| | This can be done in a variety of ways ranging from - |
| | Join a club/take up a sporting activity with your child. |
| | Take your child to watch some live sporting events. |
| | Watch sport on television with your child. |
| | Give your child the opportunity to maintain a healthy and balanced |
| | diet. |
